

Enrollment in CoPHR/CRC

Healthcare Provider Site Group/Network

Colorado's Integrated Public Health Reporting portal (CoPHR) allows Colorado's health care community to register intent for Meaningful Use for the following public health programs: Cancer Registry Reporting, Electronic Lab Reporting, Immunization Reporting, and Syndromic Surveillance Reporting. **This guide describes how to enroll a healthcare provider group/ network for Immunization Reporting into the CIIS Resource Center (CRC) within CoPHR. This guide does not address the other public health programs.**

CoPHR is the primary portal for all public health reporting in Colorado. Within CoPHR there is an immunization-specific sub-portal called the CIIS Resource Center (CRC). The CRC is a self-service system that allows you to do a number of tasks once enrollment is complete, including:

- Enroll your organization for participation in CIIS.
- Submit new user account requests.
- Access training information and resources.
- Provides access to electronic data exchange guidelines and CIIS messaging specifications.
- Test Health Level 7 (HL7) messages generated from your EHR against CIIS specifications for formatting accuracy (HL7 validation).
- Register your intent and receive assistance with Meaningful Use attestation for the immunization registry reporting objective.
- Submit online support tickets to the CIIS Help Desk for assistance.

- When you enroll as a Medical group, the following prompt appears. Only enroll as a group if you are sure your sites qualify as a Medical group in CIIS. If you still have questions, please contact the CIIS Immunization Reporting team at cdphe.CIIS@state.co.us. Click *Register as a Medical Group*.

The screenshot shows a registration prompt titled "CPHR Registration". It includes a warning icon and the text "READ before continuing." Below this, it states "You have selected to register as a Medical Group. Read below to make sure this is your best option." A paragraph explains the standards for a Medical Group. The prompt asks "Which example best fits your situation?" and provides two options. The first option, "YES! This is a MEDICAL GROUP", shows a central office icon connected to four facility icons. The second option, "NOT A MEDICAL GROUP", shows a single facility icon connected to five practitioner icons. Each option has a corresponding "Register as..." button.

⚠ READ before continuing.

You have selected to register as a Medical Group.
Read below to make sure this is your best option.

By Colorado Public Health Reporting standards, a Medical Group is a group of facilities, not a group of physicians. A Medical Group has more than 1 facility located in multiple locations and is managed by a single corporate entity. A Medical Group IS NOT more than 1 health care provider who practices in a single location.

Which example best fits your situation?

YES! This is a MEDICAL GROUP

Central office manages multiple locations, where health care providers practice.

If your group looks like the one above, click below to register your Medical Group with CoPHR.
